EARTH, 470 MILLION YEARS AGO

Long ago,  
on an empty  
earth

*Kitsune,*  
the fox spirit,  
stood alone.

releasing his  
life-giving  
spark,

the ground beneath  
him began to stir.

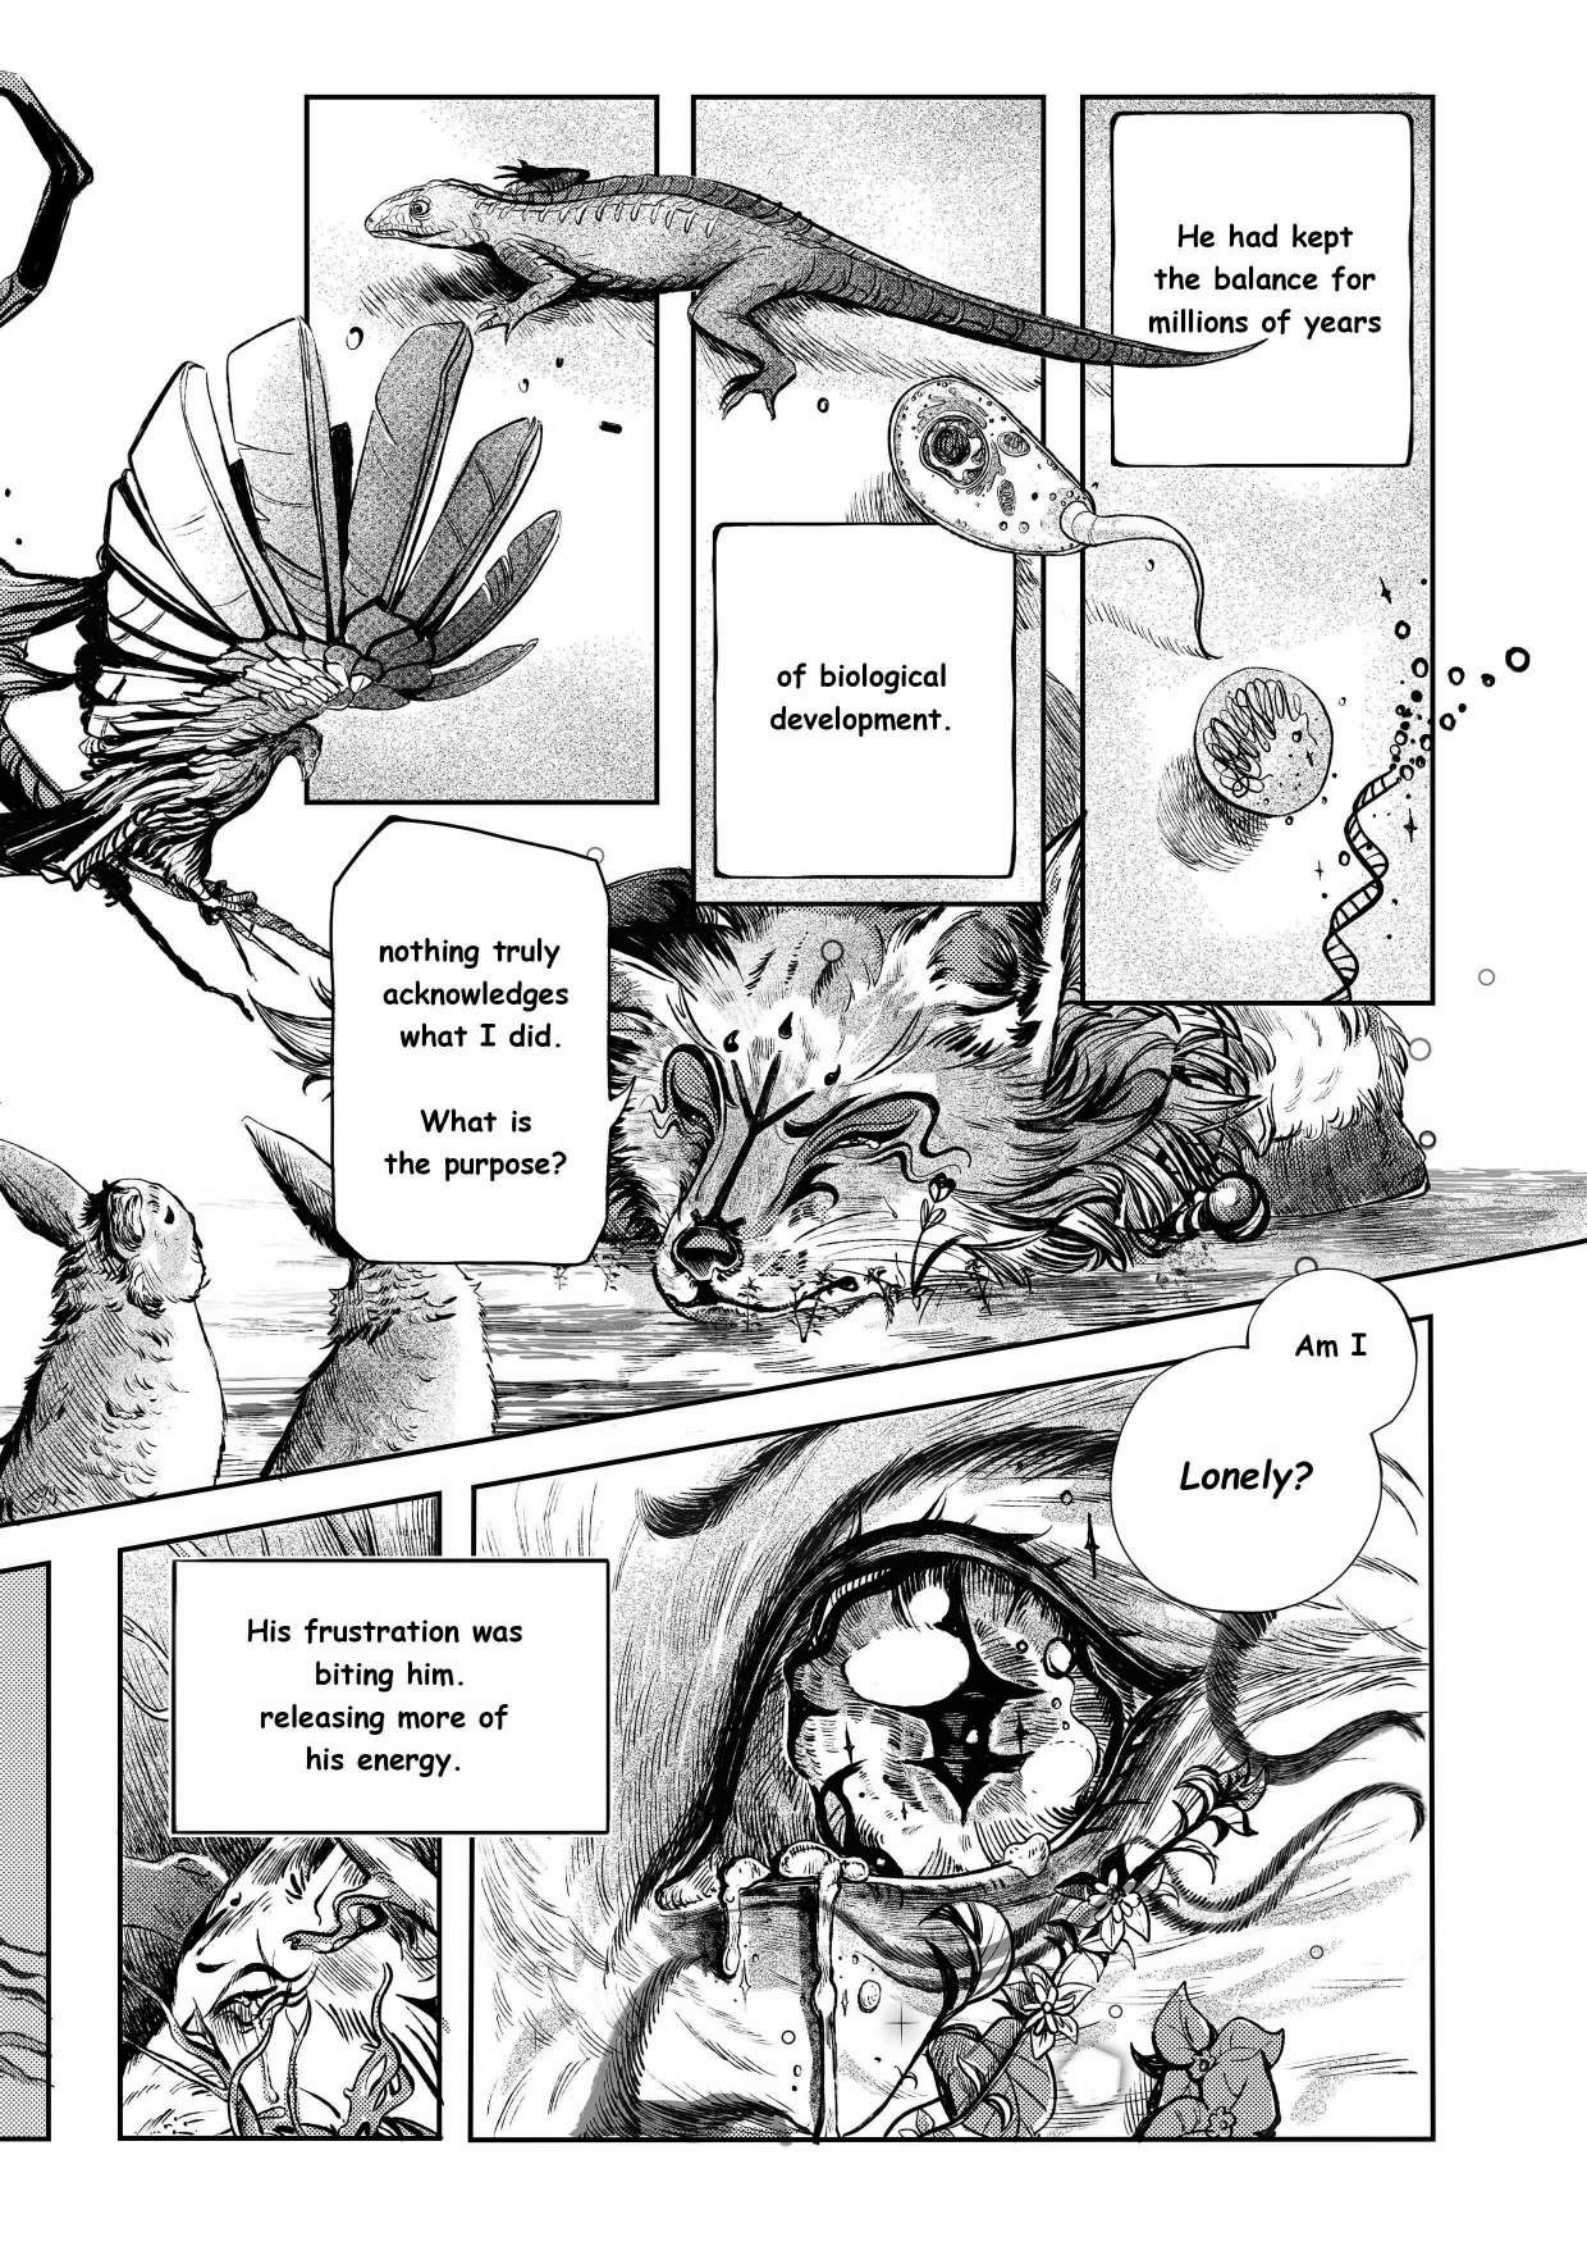

creating a  
forest  
older than  
time itself

He had kept  
the balance for  
millions of years

of biological  
development.

nothing truly  
acknowledges  
what I did.

What is  
the purpose?

Am I

Lonely?

His frustration was  
biting him.  
releasing more of  
his energy.

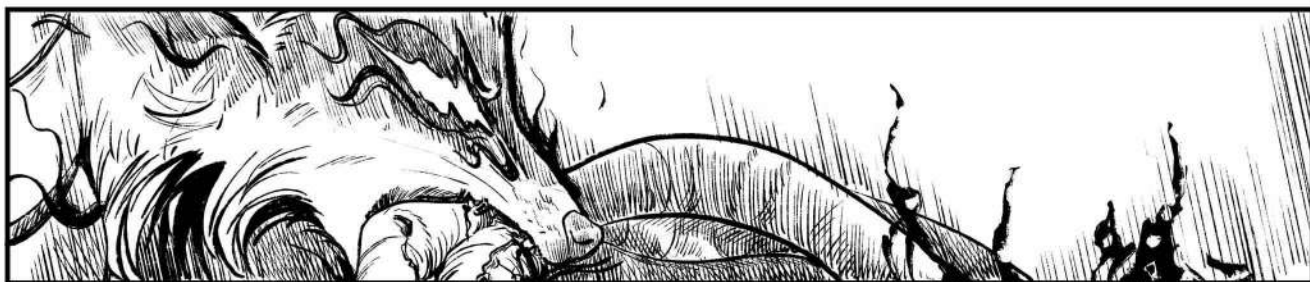

the forest  
expanded rapidly

devouring everything  
in its path due to  
its endless appetite.

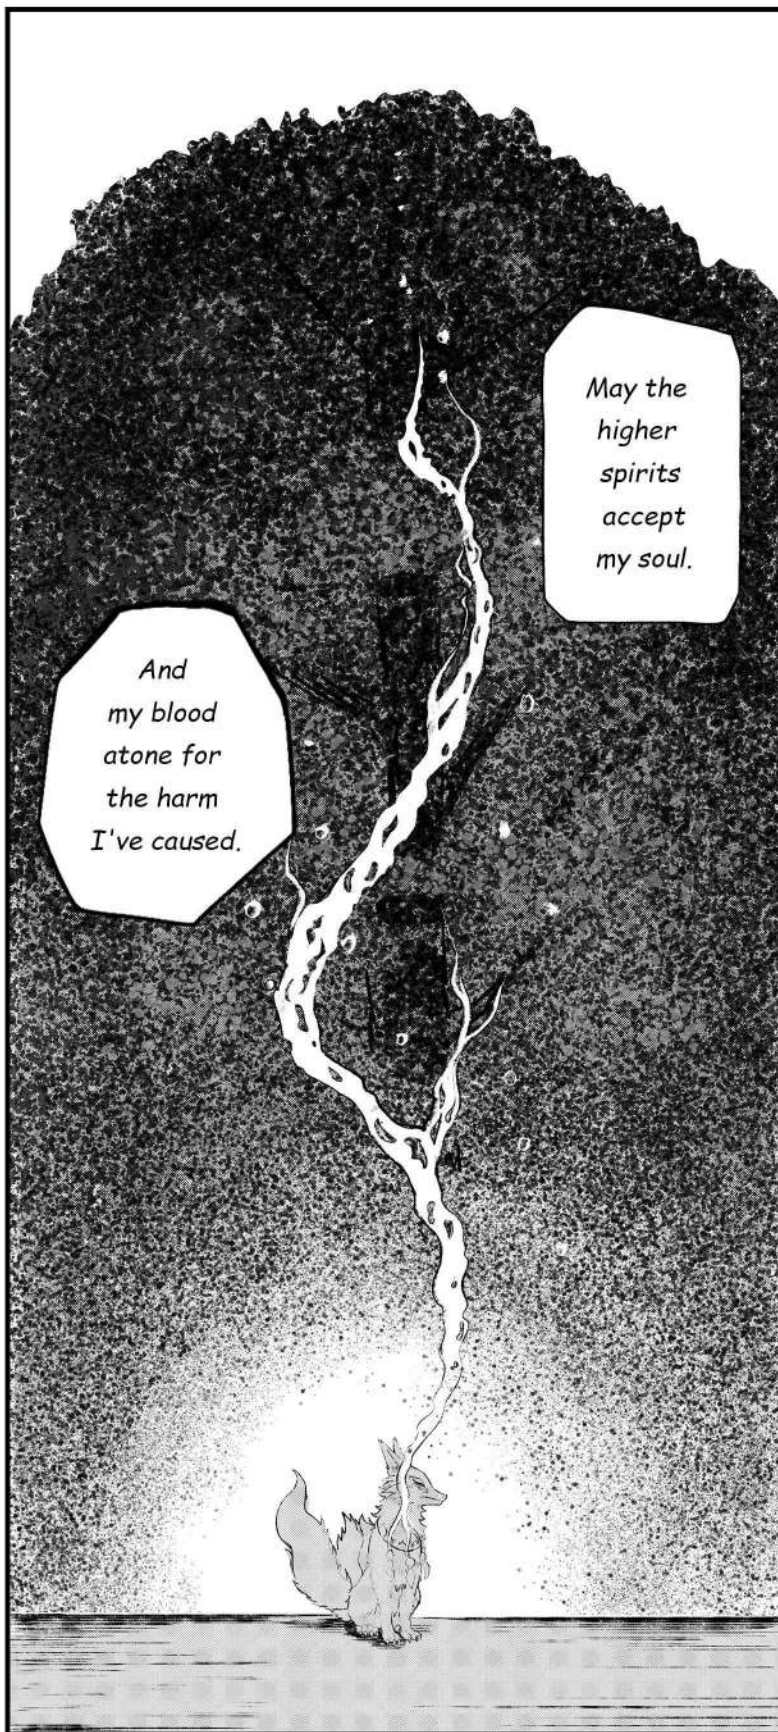

this will  
drain the lives  
of all creatures,  
and the balance  
will be lost  
forever.

If I don't  
act fast

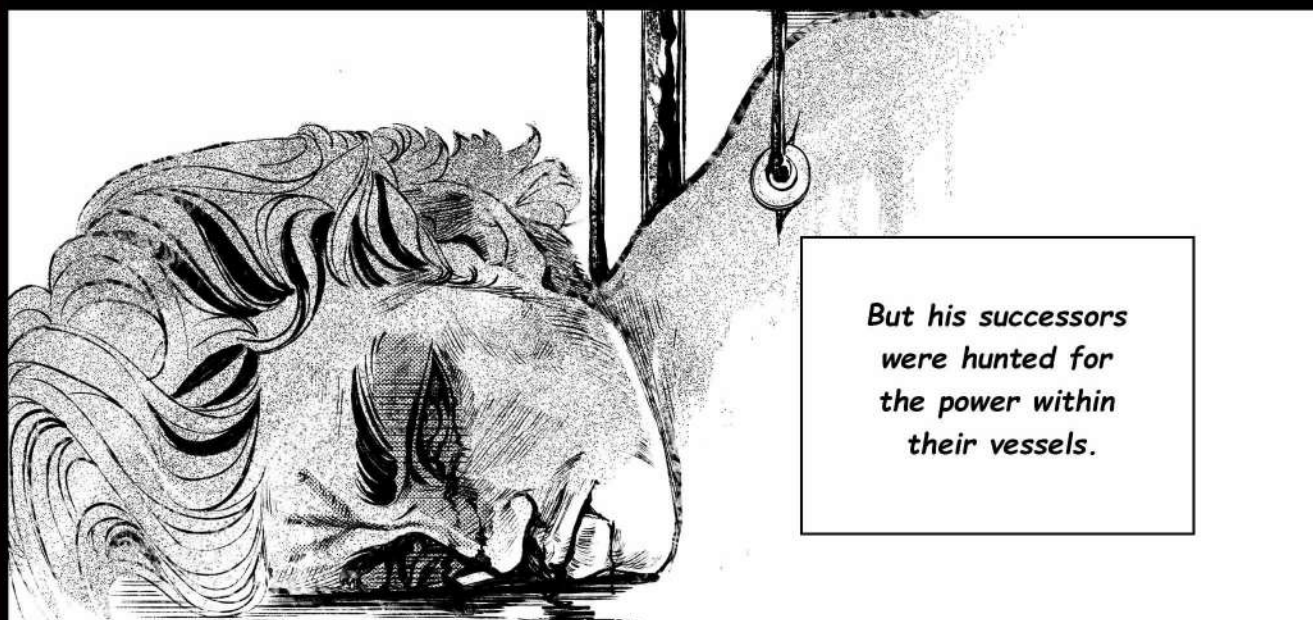

*From Kitsune's  
sacrifice*

*humans were born  
from his blood  
and consciousness*

*But his successors  
were hunted for  
the power within  
their vessels.*
